

## **FC Interski Parents' and Supporters' Code of Conduct**

F. C. Interski is committed to the principle whereby all young people who play football have a safe and positive experience.

Positive encouragement will contribute to:

- Greater enjoyment.
- A sense of personal achievement.
- Improved self esteem.
- The enhancement of individual skills and techniques.

Parents/guardians/spectators attitudes will have a significant bearing on a child's own attitudes towards many aspects of the game. With this in mind we would ask that you endorse the following:

- Always promote fair play.
- Never condone violations of the Laws of the Game.
- Support your child without pressure. Recognise that your child's involvement in the game is primarily for their enjoyment.
- Applaud good play by both teams.
- Accept winning with good grace and defeat with dignity.
- Respect the decisions of the match officials.
- Be positive and encouraging to **all** of the players, not just your own.
- Do not shout or scream or use inappropriate language.
- Respect the decisions of the manager/coach and wait for an appropriate time to voice any concerns.
- Avoid coaching players from the sidelines – this is confusing for players and may be in conflict with the instructions given by the manager/coach.
