

FC Interski Players' Code of Conduct

FC Interski is committed to the principle whereby all young people who play football have a safe and positive experience. The players themselves have a series of responsibilities to which they should seek to aspire at all times. Playing for the team, and for the team to win, is the most fundamental part of the game – but this has to be done with due regard to the Laws of the Game, the promotion of fair play, and respect for those who are involved in all aspects of the game. There are basic guidelines which must be adopted and accepted.

Players should -

- Make every effort to develop their own sporting abilities in terms of technique, skills, tactics and stamina.
- Avoid all forms of gamesmanship.
- Set a positive example for others, particularly to younger or inexperienced players.
- Play by and adhere to the rules, laws and spirit of the game.
- Value safety, fair play and welfare above personal prestige and gain.
- Accept success and failure, victory and defeat, equally.
- Treat opponents and their management team with due respect at all times.
- Show respect to match officials and accept their decisions without protest. Remember that without them there is no game!
- Never use inappropriate language, make racist comments or take any form of performance enhancement substances.
- Abide by the instructions of their manager/coach, providing they do not contradict the spirit of the code.
- Avoid being influenced by coaching or other comments from the sidelines.
